

Safer Pateley Bridge Team

There have been some recent changes to the composition of the policing team based at Pateley Bridge, not least is the fact that we are now known as the Safer Pateley Bridge Team. Also, PC Dave Tetley has returned to his role as the dedicated officer for the area although he is now known as the Safer Neighbourhood Officer for the three Pateley Bridge and the Washburn wards. This is an additional role within the Safer Pateley Bridge team which means that there is currently a vacancy for a sixth officer to join the team and hopefully this post will be filled shortly. The remaining members of the team are: PC Graham Tetley; PC Steve Smith; PC Mick Oliver; PC Sean Weldon. In charge of the team as the Sergeant for the area as well being the 'Ward Manager' for all four wards is Sgt Christine Turner who is currently based between Ripon and Pateley Bridge. A relatively new and welcome addition to the team is the rural PCSO Sharon Wilson who can be seen driving her sponsored blue Vauxhall Corsa from village to village.

The Safer Pateley Bridge team can be contacted in a number of different ways depending on the urgency with which you might need to speak with us. For instance in an emergency there is always the 999 telephone system whilst for routine matters the main number of 08456060247 should always be used. However, we have now moved forward into the electronic age with our own email address of saferpateleybridge@northyorkshire.pnn.police.uk which can be used to contact the team directly. Then there is Police Station on Kings Street which can still be visited in person and if no officer is present contact can be made using the yellow telephone located outside the office door. As we are always striving to make contact with us easier, we now have the front office facilities that are provided by the Nidderdale Plus Partnership office between 10am and 4pm Monday to Friday, excluding Bank Holidays. Further information can be obtained via the North Yorkshire Police web site using this link, <http://www.northyorkshire.police.uk/>

YOUR Safer Neighbourhoods Team

Want your opinion and views.

What are your priorities and concerns where you live?

Please list below your top three issues in your area, so your Safer Neighbourhoods multi-agency group can help improve your quality of life.
